## **CHIEF'S CITATION AWARD**

*This Recognition is hereby awarded to*

### **TELECOMMUNICATIONS OFFICER ERICA MURPHY**

*for the outstanding manner in which you performed your duties on or about the 10<sup>th</sup> day of May, 2016 through the 29<sup>th</sup> day of August, 2016 when you creatively participated in a project meant to promote family violence awareness and educate community businesses about Kari's Law.*

*Captain Lynn Pearce recently promoted the new Kari's Law, which took effect September 1, 2016, by sharing it with his staff. TCO Supervisor, Officer John Flowers and TCO Erica Murphy embraced the new law and immediately began a public awareness campaign.*

*In August of 2016, Flowers and Murphy began going business to business, educating them of the new law. Additionally, the two offered to test phone lines and make sure businesses were in compliance. If they were, the business employee or management had their photo taken with staff and posted online through our social media channels. Flowers and Murphy painted those compliant businesses in a favorable light, sharing how they were in compliance with the law and doing their part combatting family violence in and around Aransas Pass, Texas.*

*Flowers and Murphy's efforts were far reaching, so much so they captured the attention of the Hunt family, Kari's family. Hank Hunt, Kari's father, reached out to me, praising our efforts to educate and familiarize businesses with the new law. Mr. Hunt remarked that the Aransas Pass Police Department is the "first department that's been proactive doing that kind of thing and [he] think[s] it's awesome!" Mr. Hunt and family remain very much appreciative of your efforts.*

***Awarded this the 17<sup>th</sup> day of October, 2016.***

### **SECTION 3**

#### **ZONING DISTRICTS ESTABLISHED**

-100

THE CITY OF ARANSAS PASS, TEXAS, IS HEREBY DIVIDED INTO EIGHTEEN (18) ZONING DISTRICT WHICH ARE FURTHER SUBDIVIDED INTO SUBDISTRICTS WHERE APPROPRIATE. THE USE, HEIGHT, AREA, AND PARKING REGULATIONS AS SET OUT HEREIN ARE UNIFORM IN EACH DISTRICT. THE EIGHTEEN (18) DISTRICTS HEREIN ESTABLISHED SHALL BE KNOWN AND CITED AS:

\* \* \* \* \*

MH

Manufactured Mobile Home District

## SECTION 4

### PURPOSE OF ZONING DISTRICTS

\* \* \* \* \*

-103

R-7A and B, Single-Family Dwelling District: This district is intended to be composed of single-family dwellings together with the public and parochial schools, churches and public parks essential to create basic neighborhood unites. Limited portions of such neighborhood units may consist of denser residential zoning classifications that are shown on the Zoning District Map or which later may be created by amendments to such map. To provide for the increasing demand to locate mobile homes in single-family residential areas, an R-7A and R-7B Single-Family Dwelling District is established. The principal distinction between the two being that mobile homes are permitted in an R-7B District and are prohibited in the R-7A District. It is anticipated that the R-7A District will have a similar residential characteristic as is found in the R-1, R-16 and R-10 Districts. In the R-7B District, a mixture of permanent type single-family dwellings and mobile homes will be permitted, thus making possible mobile home living in a setting much like any other residential area. This type of mixed development is particularly important in Aransas Pass. Considering also that there will be fewer dropouts with much more emphasis on school attendance it is anticipated that by 1985 the total school enrollment will represent approximately 28% of the total population. These projections of the future school enrollment are shown on the following table by five-year intervals with the corresponding anticipated enrollment for senior high, junior high and elementary schools.

\* \* \* \* \*

-111

MH, Manufactured Mobile Home District: The manufactured home is recognized as a specific form of housing for which accommodations should be provided. To provide appropriate standards as to density, spacing and use, a separate district is created and designated for the specific purpose of providing, at appropriate locations, area for the development of manufactured home parks or subdivisions. In certain commercial and industrial districts, a manufactured home development may be provided for by amending the Zoning District Map, where such projects are appropriate, by approval of a conditional Use Permit. The standards for commercial manufactured home development for transient occupancy differ from those of a manufactured home subdivision where more or less permanent occupancy is anticipated.

Aransas Pass, TX 78335

Dear Mayor Chapa:

HALO-Flight, Inc., a 501 (c) (3) corporation, was created in 1987 to provide the rural areas of South Texas with mobile intensive care air-medical services. HALO-Flight serves as an important adjunct to the local EMS by providing rapid response transport to critical patients over long distances, inaccessible locations and multiple patient incidents. Requests for these services are received from your county sheriff's offices, police officers, EMS and fire departments. By working together with these agencies, the people of South Texas are assured of the highest quality of emergency service available.

HALO-Flight operates three medically equipped Bell 407 helicopters, additionally our newest aircraft a Bell 429 brings added capabilities to our fleet such as twin engine redundancy and the ability to fly under instrument flight rules (IFR), all are cost effective and well suited for HALO-Flight's South Texas service area. HALO-Flight's primary response area consists of 28,000 square miles with a population of one-million plus. Since the beginning of operations, more than 17,000 patients have been transported by HALO-Flight.

In 2015, HALO-Flight, Inc. flew 1100 life-saving missions, averaging over 90 flights per month. During this same time period, HALO-Flight only collected 34% of its costs.

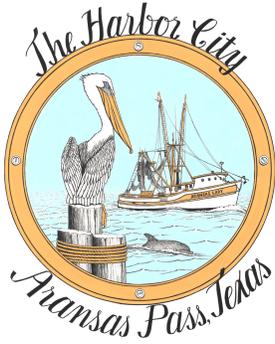

As a nonprofit organization, funding from the communities we serve is essential to assist HALO-Flight in raising the additional money needed to operate. At this time, HALO-Flight, Inc. requests to be considered for funding in the amount of \$1,000.00 for the 2016-2017 budget year. We are available for a presentation if you wish, or if you need more information.

A higher bid offer was made by Bay Harbor Apartments in the amount of \$27,500. The Aransas Pass Independent School District approved this bid offer on October 10, 2016. The amount due to all entities is \$45,129.74, and the amount due to the City of Aransas Pass is \$11,628.96 and the amount the City will receive is \$6.817.96. The property is located at Goodnight and McCampbell.

Dear Ms. Carrillo:

An offer has been made by Bay Harbor Apartments 401 KPSP, PO Box 393, Aransas Pass, TX 78335 in the amount of \$27,500.00 for the purchase of a tax sale property owned in trust by the San Patricio County taxing authorities as a result of the property's failure to sell at tax sale on the courthouse steps for the entire amount of delinquent taxes and costs owed.

An analysis showing the amount of money each taxing entity would receive if the offer is accepted is attached, as is a copy of Bay Harbor Apartments 401 KPSP's written offer. In order for the property to be sold for less than the entire amount of taxes and costs owed, the formal approval of the city is required under Property Tax Code Section §34.05.

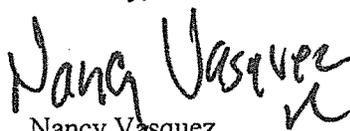

A previous bid of \$16,000.00 by Edgar Ochoa was approved by the city and school; however, we received an additional bid which resulted in a bid off and the new bidder was the higher bid.

The Aransas Pass Independent School District considered and approved the bid on October 10, 2016.

Please place this as an action item on the agenda of the City Council meeting to be held on Monday, October 17, 2016. A suggested wording of this item is as follows: "Consideration and approval of offer to purchase tax sale property."

Should you have any questions, please do not hesitate to call me.

Sincerely,

Agenda Item #:  
Title: Consider and Act on submitting permit to TCEQ for our Citizens' Collection Station.

---

**PURPOSE:**

To submit application to TCEQ to obtain a permit to operate our Citizens' Collection Station.

**BACKGROUND AND FINDINGS:**

On June 9, 2106 TCEQ did a site visit at our City Transfer Station as a result of a customer complaint. During their visit we learned that the Transfer Station is not permitted or authorized by TCEQ to be in use. It was previously closed under prior administration and engineering consultants. The necessary permits to operate as a Transfer Station were never submitted and the city has been in violation for several years. In order to be in compliance with state regulations we need to submit proper paperwork to obtain a permit to run a Citizens' Collection Station. In order to be in compliance with the new permit and state regulations, we will no longer be allowed to accept any brush or commercial waste from commercial businesses. The Collection Station will only be open to City Residents and all trash will need to be placed in the roll-offs and no part of it can be placed on the ground. We will also have to clean up the site and remove all brush and shingles that currently exist.

**ALTERNATIVES:**

Shut down the Collection Station all together.

**OTHER CONSIDERATIONS:**

---

If we do not follow state guidelines TCEQ will enforce fines to the City for alleged violations and Collection Station would be shut down. Future negotiations with garbage contracts will have a component to operate this station under private licensing.

**CONFORMITY TO CITY POLICY:**  
This conforms to the general city policy.
